

## Rated #1 seafood restaurant in Sag Harbor by Yelp and Trip Advisor 2019

Rated 4 of 5 Stars by  yelp

### ★★★★★ Best seafood in Sag Harbor!

Everything was great. The chowder was the perfect consistency, not too heavy, good flavor but without distracting from the sweetness of the clams. Baked clams were the same, plenty of clams in the stuffing, good flavor and not too bready. Lobster roll was what we came for and we were not disappointed. Big pieces of meat (nearly whole claws), just enough dressing to add flavor without covering up the sweet deliciousness of the lobster.

### ★★★★★

My lobster roll was full of huge chunks of lobster, not too much mayo, and virtually no filler that I could detect. The roll had a perfect hint of sweetness. Great coleslaw.

### ★★★★★ Great Lil' Place

Great lil' place to grab fresh seafood. Some people ate at the small counter but mostly takeout. The location is right on the pier, with a large parking lot. We tailgated with a bottle of wine, sitting at the end of the dock. Had clams on the half shell... and fish tacos which were very good with chips, guacamole, sour cream and salsa.

### ★★★★★ Yum!!

You must make this restaurant a part of your visit to Sag Harbor. Terrific fresh lobster roll and fresh oysters on the half shell, I was in heaven! My husband ordered the mixed grill seafood platter and Manhattan clam chowder and he couldn't say enough about how great his meal was.
